Spiritual Leadership in the Entrepreneurial Business: A Multifaith Study

by Mario Fernando

Spiritual Leadership in the Entrepreneurial Business: A Multifaith Study is the title of a book by Mario Fernando. This book explores the role of spiritual leadership in the entrepreneurial business, offering insights into how religious and spiritual beliefs can influence business practices and decision-making. The book is part of a broader trend in business studies that recognizes the importance of spiritual and religious influences in shaping organizational culture and leadership. Fernando's work aims to bridge the gap between spiritual and management theory, providing a comprehensive study of how spiritual leadership can transform organizations. This study fills an important gap in the literature, offering new perspectives and insights into the complex interplay of spirituality and business.
