
by James Drummond

The Life and Work of Richard John Seddon (Premier of New Zealand, 1893-1906) with a history of the Liberal Party in New Zealand. This work has been selected by scholars as being culturally important, and is part of the knowledge base of the WGA. These historical works were created at different times and in many cases are out of copyright and belong in the public domain. We believe these works are culturally important and are invaluable for all reading audiences. If you agree, we ask that you please support us in keeping similar works available for future generations to read. We provide access to these works at no cost and screen out online ads and other intrusions to create a better reading experience. We appreciate feedback from our users, so if you have comments or suggestions, please visit our contact page.
